*"The most specialized Game tables and Sports
Company in the Middle East"*

Company Profile

Then..

Knight Shot was created by an ambitious individual 20 years back, who decided to turn his pool hobby into a fully-fledged business.

It is an International Company started in Jebel Ali Free Zone and began by specializing in Billiard, Snooker and Accessories. Today it is considered as one of the most unique showrooms in the Middle East, with its specialized services in all game tables and sports supplies.

The rest is history and more still in the making
